

December

This month we will be focusing on our reading skills and pre-reading strategies. We will continue to work on patterning and using a 5 and 10 frame when working with numbers.

Winter Clothing Reminders:

As we get into the colder weather and students are bringing more items to school we strongly encourage you to label you child's winter clothing items. Such as their snow pants, boots, mittens (keep in mind cloth mittens get wet from the snow very quickly and soak through).

Important Dates in December:

Dec. 14 Wear your favourite Christmas hat

Dec 15 Dress like an Elf

Dec 16 Antler day -wear your antlers

Dec 17 Wear a Christmas sweater

Dec 18 Pajama Day or wear red, green and white day

Inclement Weather:

The decision to cancel transportation services is made PRIOR to 6:30 am. St. Patrick School is ZONE 4. When morning transportation services are cancelled within our school board, ALL schools will be cancelled for that day for all students.

How often should I change my face mask?

A fresh mask every day is helpful. Sometimes more than one mask is needed each day. Cleaning your child's cloth face mask every night is a good rule of thumb. It would be a ideal to have a back-up mask in a ziploc bag in your child's backpack just in case.

Thank - You

We would like to extend a huge thank-you to parents who have so generously donated items to our classroom. Your ongoing support means so much to us as we navigate through these tough restrictions and try to make the best of these circumstances by creating a safe & fun learning environment for our students.

~Miss Koehler & Mrs. Aird
